AMENDMENT

Asst. Commissioner for Patents

Washington, D.C. 20231

*Do not enter - Date 6/22/03*  
In response to the Office Action dated October 10, 2002, please amend the  
above-referenced application as set forth below.

**DRAWINGS**

In the drawings note that displays referred to in the specification include flip disks such as may be seen in U. S. Patent No.s 6,220,723 (2001, Freeman, et al.), and 6,216,370 (2001, Tijanic) and references in both these patents. Consequently "flip disks" are elements of a display and are generically included in the drawings which show alphanumeric displays.
